Subject: Bank of Wal-mart

A Bank of Wal-mart is a bad idea. I urge the board of directors to attend the hearing on April 12th and listen to the comments and concerns of Andrew Grossman and the other witnesses. This is too critical of a decision to miss.

We don't need it. It will hurt local banking concerns the same way it Wal-mart has hurt other businesses.

Lowest price is not the best indicator of value to society. This banking scheme is wrong. Don't allow it.
